Announcing Appointment of Bike-A-Thon Chairman

MEMPHIS, TENN. Miss Sally Walker of Route 1, has been selected as chairman of the 1978 Wheels for Life Bike-a-thon for St. Jude Children's Research Hospital.

William J. Kirwen, SJCRH Director of Development, said Miss Sally Walker has agreed to head a campaign to support the only research center dedicated exclusively to conquering childhood cancer and other deadly diseases of children.

"We deeply appreciate this help. Research at St. Jude Hospital benefits hopeless children all over the world," Kirwen said. "Without wonderful people such as Miss Walker we would not be able to continue our life-saving work."

St. Jude Children's Research Hospital, founded by entertainer Danny Thomas, is non-sectarian, non-discriminatory, and provides treatment free to patients admitted after referral by a doctor. Discoveries in leukemia and solid tumors of children have already brought it international acclaim by the medical profession.

The drive is planned for later this spring.

"That's wet cement!"

A pedestrian stumbling into wet cement, falling into an excavation - many liability risks confront a builder every day. Add to this the theft of tools and machinery, and property damage, and you have the need for complete builders insurance from the SCOTT Agency.
